Activities in Component 2

- **2.1 Status Quo & Gap Analysis**

- Report on Status Quo and Gap Analysis

- **2.2 Implementation Action Plan**

- Report on Implementation of the Action plan
- Concept for a draft National Renewable Energy Action Plan up to 2030 (NREAP 2030)
- Report on the support to the elaboration of trajectories for the renewable energy development

Activities in Component 2

- **2.3 Administrative Procedures – Article 13**
 - Report on Administrative Procedures under Article 13 of the Directive 2009/28/EC
- **2.4 Reporting – Article 22**
 - Guidelines for data collection and reporting
- **2.5 Workshops**

Workshops

- ✓ Workshop for stakeholders on integrated national energy and climate plans
- ✓ Workshop for stakeholders on possible barriers for renewables
- ✓ Workshop for stakeholders on administrative procedures
- ✓ Roundtable and workshop for stakeholders on energy balances and energy statistics
- ✓ Because of the Covid-19-lock-down and the respective travel restrictions some workshops had to be organised as Online-Events (Activity 2.5):
 - ✓ Workshop „How to conduct a successful workshop“ (AEA)
 - ✓ Workshop „Energy modelling and developing scenarios“ (EURAC)
 - ✓ Workshop „Energy statistics and energy balances“ (AEA)

Examples for Recommendations

- ✓ **Predictability of legal decisions**
- ✓ **Stability of framework conditions**
- ✓ **Quantified long-term energy and emission scenarios based on energy models**
- ✓ **Increase national capacities**
- ✓ **Reduce dependency from foreign technical assistance**
